Job Search Strategy Group

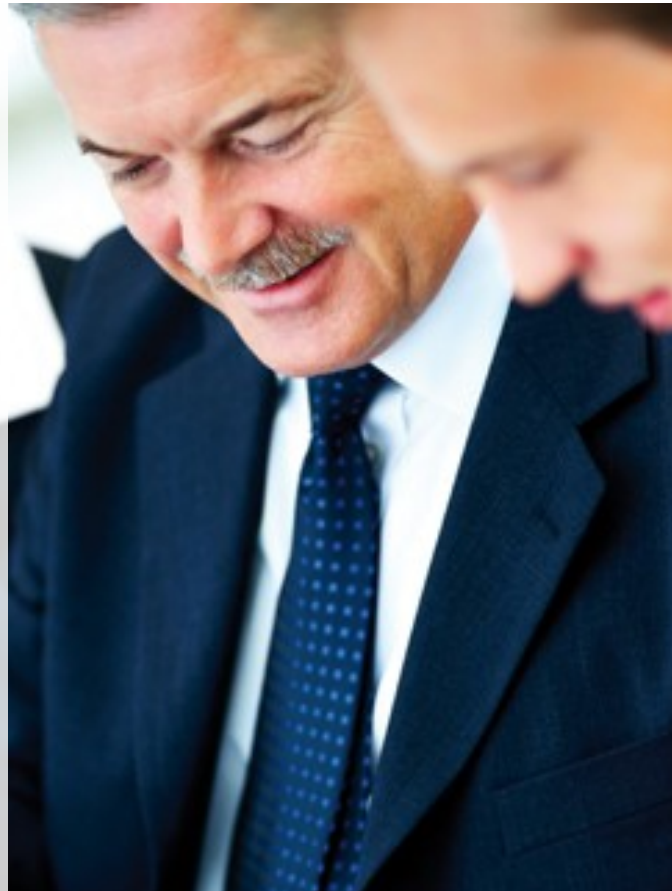

Did you know...

- Working with others to achieve a goal can work better than going it alone.
- Group members often have better ideas (and more courage) for each other than they do for themselves.

Six weekly sessions

Working with an experienced facilitator and encouraged by fellow group members you will:

- Set goals
- Report on progress and challenges
- Receive and give support
- Share resources and leads
- Gain self confidence

Career Counseling & Testing

Move forward with customized guidance and support from Career Moves experienced and credentialed staff.

We'll help you to:

- Free yourself from feeling “stuck” or “blocked”
- Analyze your skills, preferences, and values
- Identify and explore good career options
- Make decisions based on solid self-knowledge and job market trends
- Develop a plan to help you reach your goals
- Resolve current workplace issues
