

From Unemployed to Entrepreneur with help from the Jewish community

The Commerce and Community Project is kicking off an innovative response to today's economic crisis.

Learn how to harness the power of the Jewish social and professional network to support your entrepreneurial journey.

- Hear case studies of successful Jewish entrepreneurs
- Take more control of your professional path
- Find your own entrepreneurial support team
- Start a new venture
- Volunteer: Become a chapter leader
- Volunteer: Use your professional skills to help others
